2018 NESHAP Calendar

A NESHAP Notification shall be postmarked or delivered to the NESHAP Coordinator at least ten (10) working days before asbestos stripping or removal work or any activity begins, such as site preparation that would break up, dislodge or similarly disturb asbestos materials, or if the operation is a demolition of a NESHAP facility, demolition of more than one residence by the same owner, same project, even when no asbestos is present.

Working day means Monday through Friday and includes holidays that fall on Monday through Friday. This calendar shows what date a renovation or demolition activity may begin if a notification is postmarked or delivered on any particular calendar date. (Example: If the postmark or delivery date is January 1, 2018, the renovation or demolition project can begin on 1/13/18.) Incomplete notifications may delay the chosen start date or may be rejected and returned.
